@ himanshuhddudhpuri4252@gmail.com

www.linkedin.com/in/himanshu-dudhpuri-ba9824251 Dehradun, Uttarakhand

### SUMMARY

An experienced web developer with a passion for crafting seamless and efficient digital experiences. Seeking to join a creative team to contribute to innovative projects and solve real-world problems using cutting-edge web technologies.

### EDUCATION

Bachelor of Computer's Application

Hemvati Nandan Bahuguna Garhwal University

08/2022 - Present

Higher Secondary school

Board of school education Uttarakhand

03/2022

High School

Board of school education Uttarakhand

03/2020

### SKILLS

C Programming Language	C++ Programming Language	HTML
CSS	JavaScript	TypeScript
ReactJS	NextJS	GIT/GitHub
		Data Structures and Algorithm

### LANGUAGES

Hindi  
Native

English  
Proficient

### PROJECTS

#### Text-Pro

05/2024 Location

TextPro is ReactJS based app which processes text.

- Practical application of Strings.
- Responsive design With Bootstrap.

#### Weather web App

04/2024 Location

This app gets the weather details of your city.

- Uses API functionality.
- Able to get the weather forecast.

#### Portfolio

08/2024 - Present Location

A sleek portfolio built with Next.js and TypeScript.

- Fast loading with server-side rendering and static generation.
- Clean design and intuitive user experience.

### KEY ACHIEVEMENTS

#### Hackathon Success: Securing Third Pl

Collaboration and diverse skills led to third in the Hackathon Codecraft challenge 2024. Combining coding expertise, problem-solving creativity, and communication, challenges tackled with agility and innovation.

### PASSIONS

#### Web development

#### Front-End development

### STRENGTHS

#### Problem Solving and Critical Thinking

Honed problem-solving and critical thinking skills through extensive coding and diverse project experience.

#### Logic building

Experience with Data Structures and Algorithms has refined my logic-building abilities, enabling effective problem analysis and solution design with clarity and precision.
